***Re: TC3 Telecom, Inc.; Tariff Filing Advice No. 2000-1
Tariff MPSC No. 1***

Dear Mr. Lonergan:

Attached please find, three (3) copies of the original combined local, toll, and data services tariff for TC3 Telecom, Inc., Tariff MPSC No. 1, Advice 2000-1. TC3 Telecom, Inc. ("TC3") is licensed in Michigan as a competitive local exchange service provider.

The tariff is submitted on a file and use basis. The issued date is December 8, 2000, with the effective date December 11, 2000. After your office's review, the tariff will be made available in electronic format at your request.

The tariff is based on the Commission's generic local tariff, with company-specific changes as follows:

1. Section 1. Unchanged, except for insertion of company name.
2. Section 2. Unchanged.
3. Section 3. Subparts 3.1 through 3.5 are unchanged. Subpart 3.6 adds reference to Express Network Service. Subpart 3.7.1 alters the name of business service and converts it to a per-call service with no monthly allowance. Subpart 3.7.2 is added for the Express Network Service. Other than renumbering, Subpart 3.7.3 on residential service is unchanged except for numbering. Subparts 3.8 and 3.9 are unchanged from the generic tariff.
4. Section 4. Subparts 4.1 and 4.2 have been tailored for TC3's services and charges. The remainder of Section 4 is unchanged from the generic tariff.

5. Section 5. This section is added and reserved for toll services.

6. Section 6. This section is added for access services, with one current access service, number portability, currently being offered.

7. Section 7. This section is added for dedicated transport services.

8. Section 8. This section is added for digital subscriber loop services.

Note that Sections 5-8 reference authorization only under the MTA, as the services are not technically part of the basic local exchange service license.

9. Section 9 is the same as section 5 of the generic tariff, except it is renumbered and limited to the geographic area currently authorized for TC3.

When you have completed review of this tariff, please advise when we can pick up the file stamped copies for our records.

Thank you for your assistance in this matter.

Sincerely,
